A. QUARTERBACK TEE

By eliminating the use of a stopwatch, the QB-Tee allows coaches to focus on player development, improving the quality of drill sessions. As the ball is lifted from the tee, a timer starts and counts down until an audible beep signals the end of the drill. Timer is fully adjustable for a variety of drills and skill levels. Great for football and basketball drills. Tee is designed for indoor or outdoor use.

Reduce Reaction Time!

INDOOR/OUTDOOR AGILITY POLE SYSTEM

Helps reduce reaction time, while improving agility and speed on the field or in the gym. Complete set includes six 2-piece, 60" PVC poles that break down for easy storage along with 6 spring-loaded spikes for outdoor use and 6 domed bases for drills indoors or on artificial turf. Bases can be weighted with stand for extra stability.

9707418

Speed and Balance!

AGILITY LADDER

Ideal for developing quick & accurate foot speed, increased balance and coordination. Each ladder is 15' long X 20" wide with ten sections. Rugged 1" wide webbing with end buckles and slats allow various shape configurations for a more diversified workout. Buckles also allow adding additional ladders for longer runs and different formations. Come complete with carry bag.

9707417

MULTIPURPOSE TRAINING SLED

Increase speed, explosion and leg strength with this training sled. Made of 1" rust-resistant galvanized steel, this unit is tough and durable. The 10" X 16" padded steel plate weighs 20 lbs. and extra weight can be added to increase resistance.
